

HAD SUFFERED SINCE A CHILD

Can Hardly Realize How Miserable He Was Before He Took Tanlac.

"I feel so fine and well now I can hardly realize how miserable I was before I started using Tanlac," said J. Meicher, of 319 West Ninth street, Houston, Tex.

"I had a weak stomach ever since I was a child," he continued, "and had to be particular about everything I would eat, for the least little thing would upset me and cause me to be full of malarial and I would come down with fever every year. I could hardly sleep for nervousness, was constipated and would feel so tired, worn out and drowsy all day long that I wasn't fit for a thing."

"I took plenty of medicine, but it did me no good. Finally I tried a bottle of Tanlac and found I was improving on it. Since taking Tanlac I have not had anything I want and have no trouble digesting my food, my nerves are steady and I feel like a log at night. I am stronger and better than I have been in a long time and I never get tired, no matter how hard I work. Tanlac is a great medicine and I can praise it enough for the good it has done me."

All druggists sell Tanlac.

Boys and Girls Clear the Skin with Cuticura
Easier Now Than Later.
It is easier to break up a cold or check a cough now than it will be later. Persistent bronchial coughs that "hang out" all winter pave the way for serious throat and lung diseases. L. W. Day, 66 Campbell Ave., Detroit, Mich., writes: "Curey's Honey and Tar relieves one of bronchitis very quickly. I hope never to have it again. This reliable family medicine, the relief of coughs, colds, croup, hoarseness, etc., contains no opiates. Children like it. Sold everywhere."

MEAT CAUSE OF KIDNEY TROUBLE
Take Salts to Flush Kidneys If Back Hurts Or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weak, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the matter is bad you have rheumatism, uric acid in the urine, cloudy urine, full of sediment, the channels often get clogged and irritated, bringing you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four capsules of Jad Salts from any pharmacy here, take up-to-date toilet counters. Be sure to read large announcement of Jad Salts in this paper. It tells how to use them and how they work. Jad Salts is inexpensive, cannot injure, and makes a delightful effervescent lithia-water drink.

Ethel Clayton's Beautiful Complexion
That splendid actress now appearing under the Paramount banner is famous for her beautiful complexion. She attributes her wonderful skin to the use of a simple toilet article called Derwillo. There is nothing like it for tan, freckles, shiny nose, sallowness, rough skin, etc. It takes the place of face powder, stays on better, and instantly beautifies the complexion. One application proves it. If you want a nice lithe white skin with rose cheeks, get a bottle of Derwillo today; you will be delighted. Look out for substitutes. Derwillo is sold at all up-to-date toilet counters. Be sure to read large announcement of Miss Clayton's soon to appear in this paper. It tells how to use them and how they work. Jad Salts is inexpensive, cannot injure, and makes a delightful effervescent lithia-water drink.

BACKACHE AND HEAVY FEELING

Weak, Nervous, Restless
Woman in Arkansas Hears of Cardui, Tries It and Is Greatly Benefited—Now Recommends It to Others.

Peach Orchard, Ark.—Mrs. Nonie High, who lives near here, states: "Sometime ago I began to have trouble with my back. I would ache and I could hardly get up when down. I was so weak I would just drag around and did not feel like doing anything at all. I was so nervous I felt I could scream, and such a heavy feeling I could not rest at all. It looked like I was going to get down in bed."

I heard of Cardui and thought I would try it. After taking a few bottles I grew stronger. The bloated, heavy feeling left me, I wasn't so nervous, in fact, felt better all over. I took twelve bottles and certainly was greatly benefited and can recommend it to anyone as a tonic or builder. I often tell others how it helped and strengthened me."

Cardui is a mild vegetable tonic, with no bad after-effects. Its ingredients act in a helping, building way, on the womanly constitution.

Ask your druggist. He knows about Cardui. Some druggists have sold it for forty years.
